Dear Parents,

Happy New Year! I hope you had a wonderful break. May your hearts overflow with joy as we continue to celebrate the good news of our Savior's birth!

"Thank you" so much for the wonderful cards, gifts and goodies I received - they were very much appreciated and enjoyed! Your children are a blessing to me and it is a privilege to serve as your director. I'm looking forward to the rest of the year.

Enrollment for the coming school year begins January 4, 2021! We are accepting applications for all classes: 18 Months through Pre-Kindergarten. Priority is given to currently enrolled students, siblings and Zion members. Enrollment opens to the general public on a first-come basis beginning February 1, 2021. Classes fill up fast so please get your applications in soon.

May God bless you and keep you through the New Year.

Peace,

Barb Ballif

## Miss Sabrina's Sweeties

Hello Parents,

Thank you all so much for a wonderful, spirit filled December.

We had fun with the letter C talking about Christmas and the letter I with inchworms.

It is hard to believe we are finished with 2020 and starting a new year. I pray this year will be filled with abundant joy and blessings for you and yours.

As the new year starts, we will jump right back into our letters. We will start with the letter L.

Much love and thanks for sharing your children with me.

Miss Sabrina

## Miss Lezlie's Sunshines

Dear families,

Wow, what a wonderful Christmas season it has been! Even in these uncertain times we are so blessed to feel the perfect peace that comes from

the birth of our Savior! It was so great celebrating the season with this sweet class of sunshines! Thank you to all of my fabulous volunteer parents who helped make December and all of the fun happen!! Thank you! Thank you! ❤️ 🌲 🌟 I hope you all had a safe and beautiful Christmas with your families. I missed you all over the break!

Well, it's now 2021 - I'm so excited for this fresh new year. It feels new and I'm hopeful for great things ahead. How could it not be super great with this adorable class?! 😊

We are starting January out with the letter "li". We will be talking about favorite ice cream flavors, having an ice cream party, what I (they) want to be when (they) I grow up, AND we will be making real ice and doing a science project with salt drops and watercolors. This is way

fun and I'm excited. Well, 2020 is over and I'm looking forward to kicking 2021 off with a bang! Or a blast full of fun and great memories together!!! I have the best job in the WORLD and I'm so thankful for you all!!!

Happy New Year!!! 🎉 🎊 🌟 💖

If there is anything I can do to help or be of service to you and your families, please let me know!

In God's service,

Miss Lezlie 💖

## Miss Chris's Campers

Happy New Year, everyone! I hope this holiday season has been as enjoyable for you and your families as it has been for me and mine! The year 2020 was challenging for everyone,

but with it has come many blessings for which I am grateful.

Thank you again for the opportunity to teach your child at Let Me Shine! I am looking forward to lots of new learning and creative projects with you all. We will continue to get through our letters, writing our first and last names, and our numbers 1-10. Here's to an even more happy and healthy 2021!! I can't wait to get started.

Grace and peace,  
Miss Chris

## Miss Angelina's 3 Year Old Class

I am so excited to be joining the wonderful staff at Let Me Shine. This is my first year teaching and I cannot wait to get into the classroom with your sweet children. I loved

meeting all of you at Meet the Teacher. It was so fun seeing your child and how excited they

are to come to school. I have so many fun things planned and I can't wait to get started.

A little about myself: I'm Ms. Angelina. I was not born and raised in Utah but I have loved living here the last 8 years. I am from South Carolina and while I miss it, I can't imagine leaving this beautiful state. My husband and I live in Millcreek with our two kids (Ava-6 and Cooper-4). Before COVID, we loved going out to eat and trying new restaurants, skiing, hiking and having game nights at our house. Since COVID, we've been doing a lot of outdoor activities and crafts at home with our kids. It's been challenging, but I have loved the extra time with my kiddos.

I hope everyone had a great break and I am looking forward to getting to know your children in the classroom and learning from them as well.
