Dear Parents,

I adored Mister Rogers and the love he shared with all he knew. He reminds me of God's word for us..."We love because He first loved us." 1 John 4:19

The following is from Mister Rogers book, "Many Ways to Say I Love You"

Here we are, all on this boat together, this floating planet...together. I feel blessed even in times of trouble. I wonder how human beings get that feeling. I guess it comes from a long line of people in our lives who have, in one way or another, "sung" that song:

*It's you I like.
It's not the things you wear.
It's not the way you do your hair,
But it's you I like.*

*The way you are right now,
The way down deep inside you,
Not the things that hide you,
Not your toys-they're just beside you.*

*But it's you I like,
Every part of you-
Your skin, your eyes, your feelings,
Whether old or new.*

*I hope that you'll remember
Even when you're feeling blue,
That it's you I like, it's you yourself.
It's you. It's you I like.*

Happy Valentine's Day!

Barb Ballif
Director

Miss Sabrina's Sweeties

Hello Parents,
Wow... January is here and gone.
We had so much fun with our new friends in our class. We are looking forward to February, our love

month. In classroom 8, we learned about our letters L, F, P and J.

- L - we talked about being helpers and what that looks like
- F - we had fun watching flowers change colors and painting with our feet
- P - was our party week and pajama day
- J - we talked about how Jesus washes us clean from our sins and how sin can make us feel dirty like a pig gets dirty. We talked about making a joyful noise for Jesus.

I love watching these kiddos grow and learn and figure out how to problem solve. They are an absolute treasure.

Blessings to you and yours,
Miss Sabrina

Miss Lezlie's Sunshines

Dear families,
It is hard to believe we are already in February! This school year is sure zooming by, and I'm so grateful we can all be here together in person! Seeing

all the kiddos faces and how cute they play together makes my day and brings a smile to my face.

I love ALL of the holidays and totally look forward to celebrating them all, Valentine's Day is no exception!!! It's a fun excuse to talk about love, giving and kindness, and of course, exchange Valentines! We will be having a super fun Valentine's Day party, making Valentines boxes and definitely making lots of glittered hearts to decorate our classroom. I love it so much!!

This month we will begin baking a lot. That will be one of our science projects that the kiddos can help with and taste! Along with our letter learning, we will pay special attention to writing our first and last names, memorizing our phone numbers and our upper and lower case letter

recognition, and of course so many art projects!

Please know I miss having my parent volunteers spend time in the classroom - but I'm grateful we can be open and so we will follow the guidelines. I SO miss having parent volunteers in class!! Maybe soon?!? 😊

It is an honor and a blessing being your child's teacher this year. If there is anything I can do to be of service to you and your families, please let me know!

God's blessings,

Miss Lezlie 💕

Miss Chris's Campers

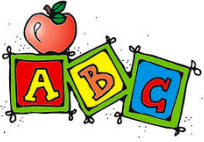

I can't believe it is February already! This year is going by so fast. I have enjoyed watching the dynamics of our class change in the past months.

We have been working on the numbers 1-10 and our phone numbers. The kids have been practicing punching in their phone numbers on several play phones I have in the class. If you have an old landline or cell phone it would be excellent if you would spend time showing your child how to dial your phone number.

We will continue to write our letters from the alphabet and understand the phonics that come with each letter. If you could review letters with your child that we are working on in the classroom, it will only reinforce the learning that is taking place. Also, this month is Valentine's Day and we will be having our party on the 11th and 12th. Let me know if you can bring something for the party. February 15th is President's Day, so there will be no school. The entire staff continues to pray for the health of our students and their families.

Continued Blessings,
Miss Chris

Miss Angelina's 3 Year Old Class

Hello Families,
We had such a fun few weeks
getting to know each other
and establishing our routine.
Your kids are so much fun to
be around, I love seeing their

little personalities shine through.

We wrapped up letters A & B and will continue
through the alphabet. We will also be working
on scissor skills and the letters in their names.
Your children have really loved our science
experiments, as well as the obstacle courses,
and show and tell. We have a fun few weeks
coming up with Valentine's Day.

Thanks for sharing your sweet kiddos with me!

Miss Angelina
