If anyone had told me last year what things would be like at the beginning of this school year, I would have never believed it! I don't think any of us could have! A pandemic? A world where businesses and schools closed? What?!

Life changed in countless ways for all of us since March 16...in ways never imagined. I do know though, through all of the challenges we faced, or rather still face, we can find blessings. Let Me Shine looks different this fall - opening in October, fewer classrooms, a smaller staff. While I have felt a sense of loss for what was, I know God keeps His promise of "...using all things for the good of those who love him..." *Romans 8:28*. God is good!

He's blessed Let Me Shine with a strong Pre-K staff whose light shines bright! They've been preparing all summer - even not knowing when our doors would open. He's brought families ready to have their children back in school.

We are excited to have you here and to start our year! Thank you for making it possible!

Grace and peace,
Barb

Hi everyone!

I am Ms. Holly and I work in the Let Me Shine office. I have been working at Let Me Shine for 18 years! It is hard to believe, but my two boys went to Let Me Shine, and now they are in college! I am excited that we are able to open our school (even in a limited capacity) because I love seeing the kiddos every day. If you have any questions about tuition payments, or need a receipt for a flex spending account, please see me. You can e-mail me at holly@letmeshine.org, or simply call the school office.

God's Blessings!
Holly

Miss Sabrina's Sweeties

Hello Everyone!

I am so excited for the new school year! I know this year will be fabulous. I love sharing how much God loves each child and how each one is unique and special. We will have so much fun growing, playing and learning this year. For the month of October we will be getting to know each other, and starting with the letters M, T, and A.

This will be my 11th year teaching preschool and I can't imagine doing anything else. I look forward to getting to know you and yours!

Blessings to you and yours, Miss Sabrina

Miss Lezlie's Sunshines

Dear families,

I am honored and thrilled to welcome you to Let Me Shine! Whether you are a family who knows our school well and are

returning from last year, or you are brand new this year, please know you are part of our school family and we are grateful you chose us for your precious little ones preschool experience! This is my fourth year here at Let Me Shine, and I could not imagine teaching anywhere else. Our school is a very special place where your child will receive a top notch preschool experience while feeling unconditional love and care while learning about Jesus and His encompassing love for each of us.

In the Sunshine classroom we will be learning all about our new friends, introducing ourselves, drawing self portraits as well as getting starting with our letter learning and site words! Of course October will also be filled with pumpkin hunts and Trick-or-Treating

outside amongst the falling fall leaves! We are so excited! Happy fall!!

It is my honor to be your child's teacher this year, thank you for entrusting us with their care and education! If there is anything I can do for you or your child, please don't hesitate to let me know.

Happy Birthday to Sloane!! October 6th! 💕

With love, Miss Lezlie 💕

Miss Chris's Campers

I am so excited to get this school year started! This month we will be working on getting to know each other and going over the classroom rules. We will also be working on the letters "M," "T" and "A". With each letter we incorporate an art project that represents that letter. We will also start practicing writing our names. Please be sure to work with your child and encourage them as I feel writing one's name is an imperative skill. We are planning to have a Pumpkin hunt on Wednesday, October 21st. We will also have dress-up and trick or treat on October 30th. I want to thank you so much for allowing me to teach your children.

God Bless, Miss Chris

Aide, Miss Gabby

Hey all! After months of social distancing and quarantine I'm very optimistic that this year will bring some much needed excitement for the kiddos! I will do my best to aide with your child's needs and make this year feel as normal as possible. I will also be making sure your child's environment is clean. We're going to have so much fun!

With love, Miss Gabby
